

Chamber of Maui Political Action Committee (COMPAC)

The Chamber of Maui Political Action Committee (COMPAC), a committee of the Maui Chamber of Commerce, unites individuals and businesses in efforts to elect "business-friendly" candidates that understand economic principals and will encourage business and community prosperity by promoting programs to enhance financial opportunities for all businesses in Hawaii. Efforts include:

- ★ Setting a "pro-business" agenda and assessing where candidates for elected office stand based on that agenda.
- ★ Endorsing candidates deemed to be the most "business-friendly" during the Chamber's candidate endorsement process.
- ★ Holding elected officials accountable for their votes on important business issues and Chamber priorities.
- ★ Educating the public about business sector challenges, opportunities, and needs and how they can help.
- ★ Encouraging voting by private sector business owners and their employees for a "pro-business" environment.
